

Simcoe Community Services Foundation

14th Annual Golf Tournament

A full slate of golfers enjoyed exceptional weather at the Hawk Ridge Golf & Country Club in Orillia on Friday, June 19th where more than \$20,000 was raised to benefit Simcoe Community Services' Youth In Action Program.

B101 morning host, Jamie Hall, emceed the festivities. The team of Dave Duncan, Derrick Divok and Terry and Larry Heittola emerged as the foursome with the lowest score. Exceptional food, a generous prize table and suspenseful silent auction bidding made for fun times once the golfing was completed.

The success of every golf tournament depends on the efforts of so many volunteers including Ron Ptasiuk, Debbie Duguid, Blake Francis, Wandy Miller, Louise Pope, Bill Silk, Greg Smith and Andrea Van Leusen who comprised the golf committee. Diane Demick volunteered her time for the "Beat the Pro" contest while representatives from Leon's and Starbucks helped man the "holes-in-one" along with Denise Coker and various youth and staff members of Simcoe Community Services.

Financial and prize support for the event was phenomenal! A huge thank you to the following:
