Message from Ron Ptasiuk Simcoe Community Services Foundation President

Everyone has dreams; people with intellectual disabilities are no exception. They may dream about a comfortable night's sleep, being able to leave the house to participate in an activity in their community, or taking a self-improvement course. Your support would help people achieve their dreams and live a more fulfilled and happy life. Help us ensure that people

of all abilities have opportunities to be included in their community. With the support of generous donors such as yourself, our fundraising campaigns support the purchase of accessibility equipment; cover the cost of specialized housing needs; assist families with respite; send children to camp; provide youth with skills development; and offer adults and seniors recreational and leisure activities.

I hope you will join us and consider one of our sponsorship opportunities, making a donation and/or contributing to the silent auction. Proceeds from this year's event will continue to make dreams come true for people supported by Simcoe Community Services.
