SPONSORSHIP OPPORTUNITIES

"We raise funds to significantly improve the quality of life for people with intellectual disabilities."

Please join Simcoe Community Services Foundation and friends as we celebrate 22 years on the golf course in support of local youth with intellectual disabilities.

In 2016, we had a fantastic day of golf and games on the course; wonderful silent auction items were sold, and prizes and foursome photos were enjoyed by all the players.

As always, the weather was beautiful and thanks to supporters like you, money was raised to support programs for youth with intellectual disabilities in the Barrie and Orillia areas.

We hope you will join us for another fantastic day of golf at our 22nd Annual Tournament on June 16th. Your support will mean the world to local youth that need our help.

This smile says it all!
